

# MAKE.PLAY.READ.LEARN.

Summer @ the Library 2014  
May 17<sup>th</sup> – July 12<sup>th</sup> 2014  
Summer Celebration July 19<sup>th</sup>

Children of all ages can play the game!  
To play, complete the bubbles on the game board, as many and as often as you want. There are NO rules. The only requirement is to have fun!

For pre-readers, simply replace any bubble with “read for 20 minutes” and read aloud to your infants, toddlers and preschoolers.

Make up your own game with the board: Close your eyes and randomly point to a bubble for your next activity OR roll dice to see what you will do next. The ideas are endless!

All summer long, show us your game board to receive small prizes.

Check out events at all our libraries. We will be jam-packed with programs and activities all summer long. We will MAKE science experiments and crafts, PLAY wacky challenges and games, READ books and stories and LEARN through it all. Every day at the library is a new adventure!

Parents: When kids associate these learning activities with happy memories, you are setting them up for love learning for life!

Check the calendar of events for July 19<sup>th</sup> Summer Celebrations, happening at all locations. Attend one or experience all four!
