

## Friends of the Library Report

May 13, 2020

Dear Library Board,

1. The PPP application has been approved and closed on Friday, May 8, 2020.
2. Had a successful Board meeting hosted through Zoom this past Tuesday, April 28, 2020.
3. There is \$131,000 in cash with \$54,000 with no donor restrictions
4. Hoping Phase 1 of the library reopening will allow Dawn to resume filling online sales to help our revenue.
5. Committees have been assigned members as well as some restructuring. This will be voted on in May so that we can push forward with our 2020 Strategic Plan.
6. Membership drive will start in May with all our new membership levels. We will be using a mail house this year Simply Mail. They will fine tune our letter draft and make it look sharp. The current mailing list we have for the FOL is weak. So we are looking at purchasing a targeted mailing list of wealthy households. This will also give us email addresses to enable us to make follow up emails.

Anne
