Ms. Corinne Hill reported to the Board that every year we gather data for the state report on the amount of reference transactions we have in a week. Comparing last year’s transactions with this year’s numbers we have 50 percent of the transactions we had last year. This is excellent news that we continue to serve the public in this current pandemic.

The average curbside checkouts per day in October were about 600 items going out our doors. We checked these statistics per hour and the Northgate branch was the winner with 154 curbside checkouts per hour. Circulation is running about 60 percent of what is was last year. Digital counts are holding steady between 15,000 and 16,000 items being used. Ms. Hill commented that even though we are closed it is satisfying in a difficult time to know we are still able to serve and reach the community.

Ms. Corinne Hill updated the Board on the capital projects. The roof replacement hasn’t started as the company isn’t showing up to start the project. The roof contractor will time out pretty soon and suffer penalties. The HVAC project is in the punch list phase and wrapping up. The ADA bathrooms have been framed and the plumbing has started.
Ms. Christina Sacco, Public Relations Coordinator presented the monthly public relations report. The report is attached and made a part of these minutes.

Ms. Karen McMahon asked if we received any feedback on the library annual report? Ms. Christina Sacco reported that we have received lots of positive feedback.

Ms. Hill reported that library staff are doing okay during the recent shift of services and we are all hanging in there.

There was no travel report this month.

The December board meeting will be on Wednesday, December 16, 2020.

Ms. Karen McMahon made a motion to adjourn the board meeting at 12:45 p.m. Ms. Theresa Liedtka seconded the motion. The motion was approved by a show of hand roll call vote and carried.
